# READ—DREAM—ACHIEVE—WIN!

***Summer Reading 2016 will be a celebration of sports and achievement with the theme: Read-For the Win!***

iREAD® summer reading programming includes activities, graphics, crafts, reading lists, incentives, and much more for children, teens, and adults.

The benefits of summer reading are clear. National research finds that students who participate in library summer reading programs scored higher on reading achievement tests at the beginning of the next school year than those who did not participate. The iREAD mission is to provide libraries with the tools to bridge this summer gap, while inspiring literacy and life-long learning.

Over the past thirty years, iREAD has grown into a leader of summer reading program development, providing libraries, large and small, with all of the resources they need to promote, launch, and execute great reading programs.

The 2016 summer reading Resource Guide includes ideas contributed by librarians from all over the world and every day great new ideas are added to our Read-For the Win! Pinterest page. This summer's graphics include posters and a wealth of original spot art from our 2016 illustrators: Chris Raschka, Bob Staake, Frank Remkiewicz, Tom Kelly, Terri Murphy, and Patrick Girouard.

New this year to the Resource Guide and product catalog (page 19) are information and materials to help your library participate in Summer Meals programs. Libraries are natural spaces for serving meals to children whose access to lunch disappears when school ends and summer begins.

As a coordinated, self-supporting effort developed by the Illinois Library Association and librarians, every purchase from iREAD helps to promote and assist the great work of libraries.

Thank you for supporting iREAD!

## WHY SUMMER READING IS IMPORTANT

**PREVENT "SUMMER SLIDE"**  
Children who don't read during the summer can lose up to two months of learning by the time they return to school in the fall.

**BUILD A BRIDGE**  
Children who participate in Summer Reading Programs and read a minimum of six books over the summer score higher in reading AND math when they return to school.

### Hechos sobre la lectura de verano

- Los beneficios de la lectura de verano son claros. La investigación nacional de la Universidad Dominicana encuentra que los estudiantes que participan en programas de lectura de verano de las bibliotecas públicas obtienen calificaciones más altas en los exámenes de lectura realizados al comienzo del siguiente año escolar que aquellos que no participan.
- Los padres de niños que participaron en programas de lectura de verano en las bibliotecas públicas reportan que sus niños pasaron más tiempo leyendo durante el verano, leyeron más libros, estuvieron mejor preparados para el comienzo de la escuela en el otoño y leyeron con más confianza.
- Los jóvenes sufren pérdida en el aprendizaje cuando no participan en actividades educativas durante el verano. Las investigaciones de los últimos 100 años muestran que los estudiantes típicamente reciben calificaciones más bajas en los exámenes estándares al final de las vacaciones de verano que cuando toman dichos exámenes al comienzo del verano. Las bibliotecas son parte de la solución.

**Para tener éxito en la escuela y en la vida,** los niños y jóvenes necesitan tener oportunidades para aprender y practicar sus habilidades esenciales consistentemente. El Club de Lectura de Verano les recuerda a los niños que leer es divertido—como así también lo es el aprendizaje.

- ¡Hay tanto para ver y tanto para hacer en tu biblioteca! No hay un lugar mejor para llevar a sus niños. La biblioteca es un lugar para aprender, leer y divertirse... un lugar en el que toda la familia puede disfrutar. De hecho, más de 82 millones de niños participan en programas ofrecidos por bibliotecas cada año.
- Los estudios muestran que a los niños que les leen en la casa y que usan la biblioteca, tienen más éxito en la escuela. También es más probable que usen la biblioteca como recurso de aprendizaje de por vida.

### Lunch at the Library:

Through the Lunch at the Library program, the California Library Association and California Summer Meal Coalition provide libraries with the resources and support they need to establish themselves as quality summer meal program sites for their communities.

The project is funded by a grant from the David and Lucile Packard Foundation, and it is supported in whole or in part by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.

Your complete Summer Reading Program for toddlers, children, teens, and adults.

Since 1981, iREAD has developed successful Summer Reading Programs. Our mission is to provide high quality, low-cost resources and products that enable local library staff to motivate children, young adults, and adults to read. As a coordinated, self-supporting effort developed by librarians and the Illinois Library Association, every purchase from iREAD helps to promote and assist the great work of libraries.
