iREAD 2020: Dig Deeper!

iREAD® summer reading programming is developed by *librarians for librarians* and features activities, graphics, crafts, reading lists, incentives, and much more for children, teens, and adults.

As always with iREAD Summer Reading, there is no membership fee required or time limit imposed. You can use the graphics and programming year-round to support your library!

What will you Read, Investigate, Discover in 2020? While normal vision is said to be 20/20, the wealth of materials in the iREAD 2020 Resource Guide (page 22) will encourage learners of all ages to *Dig Deeper* and expand their horizons beyond the commonplace, engaging a deeper level of exploration. From programming ideas, insightful articles, décor, and other resources, this guide will provide a visionary experience that will not soon be forgotten.

The beautiful artwork accompanying the guide, which is yours to use in any way your library can imagine, defies expectations:

- Pre-K art by David Roberts
- Children's art by Rafael López
- Teen art by Alleanna Harris
- Adult art by Jingo de la Rosa

Read, Investigate, Discover

The benefits of summer reading are clear. National research finds that students who participate in library summer reading programs scored higher on reading achievement tests at the beginning of the next school year than those who did not participate. The iREAD mission is to provide libraries with the tools to bridge this summer gap, while inspiring literacy and lifelong learning.

As a coordinated, self-supporting effort developed by the Illinois Library Association and librarians, every purchase from iREAD helps to promote and assist the great work of libraries.

Thank you for supporting iREAD!

CHALLENGE COINS

Challenge coins are a highly respected military tradition for recognizing accomplishments and instilling a sense of belonging. The tradition of giving coins in the military goes back as far as the Roman Empire.

Traditionally a challenge coin bears an organization's insignia or emblem and is carried by the organization's members. They are given to prove membership when challenged, to enhance morale, and are also collected by service members. In practice, challenge coins are presented by unit commanders in recognition of special achievement by a member of the unit. They are also exchanged in recognition of visits to an organization.

Stories suggest that coins began to be used in a "challenge" after World War II, when U.S. military personnel adapted a German tavern tradition. If someone calls a "coin check," whoever does not have a coin buys drinks for everyone!

Every summer since 2013, iREAD has been producing a Summer Reading Challenge Coin for our partners in the Department of Defense–Morale, Welfare, and Recreation (DoD-MWR) military installation libraries. We are pleased to offer the 2020 version to the public in celebration of Dig Deeper: Read, Investigate, Discover!

Your complete Summer Reading Program for pre-k, children, teens, and adults.

Since 1981, iREAD has developed successful Summer Reading Programs. Our mission is to provide high quality, low-cost resources and products that enable local library staff to motivate children, young adults, and adults to read. As a coordinated, self-supporting effort developed by librarians and the Illinois Library Association, every purchase from iREAD helps to promote and assist the great work of libraries.
