

READING COLORS

Your
WORLD.

Artwork ©2020 Oliver Jeffers for iREAD® Summer Reading

READING COLORS

The iREAD® summer reading program is developed by librarians for librarians, and it features activities, graphics, crafts, reading lists, incentives, and much more for children, teens, and adults.

As always with iREAD Summer Reading, there is no membership fee required or time limit imposed. You can use the graphics and programming year-round to support your library!

The theme for iREAD's 2021 summer reading program is *Reading Colors Your World*. The broad motif of "colors" provides a context for exploring humanity, nature, culture, and science, as well as developing programming that demonstrates how libraries and reading can expand your world through kindness, growth, and community. Library patrons young and old will be encouraged to be creative, try new things, explore art, and find beauty in diversity.

Your WORLD.

The iREAD 2021 Resource Guide (page 21) and beautiful artwork on the accompanying flash drive will bring this colorful theme to life in your library:

- [Featured art by Oliver Jeffers](#)
- [Children's art by Yuyi Morales](#)
- [Teen art by Zach Lehner](#)
- [Adult art by Hervé Tullet](#)

The benefits of summer reading are clear. National research finds that students who participate in library summer reading programs score higher on reading achievement tests at the beginning of the next school year than those who do not participate. The iREAD mission is to provide libraries with the tools to bridge this summer gap, while inspiring literacy and lifelong learning.

As a coordinated, self-supporting effort developed by the Illinois Library Association and librarians, every purchase from iREAD helps to promote and assist the great work of libraries.

Thank you for supporting iREAD! Read a book and color your world!

CHALLENGE COINS

Challenge coins are a highly respected military tradition for recognizing accomplishments and instilling a sense of belonging. The tradition of giving coins in the military goes back as far as the Roman Empire.

Traditionally a challenge coin bears an organization's insignia or emblem and is carried by the organization's members. They are given to prove membership when challenged, to enhance morale, and are also collected by service members. In practice, challenge coins are presented by unit commanders in recognition of special achievement by a member of the unit. They are also exchanged in recognition of visits to an organization.

Stories suggest that coins began to be used in a "challenge" after World War II, when U.S. military personnel adapted a German tavern tradition. If someone calls a "coin check," whoever does not have a coin buys drinks for everyone!

Every summer since 2013, iREAD has been producing a Summer Reading Challenge Coin for our partners in the Department of Defense—Morale, Welfare, and Recreation (DoD-MWR) military installation libraries. We are pleased to offer the 2021 version to the public in celebration of *Reading Colors Your World!*

Your complete summer reading program for pre-k, children, teens, and adults.

Since 1981, iREAD has developed successful summer reading programs. Our mission is to provide high quality, low-cost resources and products that enable local library staff to motivate children, young adults, and adults to read. As a coordinated, self-supporting effort developed by librarians and the Illinois Library Association, every purchase from iREAD helps to promote and assist the great work of libraries.
