iREAD® Summer Reading Program

iREAD® Summer Reading programming is developed by librarians for librarians and features activities, graphics, crafts, reading lists, incentives, and much more for children, teens, and adults.

As always with iREAD Summer Reading, there is no membership fee required or time limit imposed. You can use the graphics and programming year-round to support your library!

The theme for iREAD's 2022 summer reading program is *Read Beyond the Beaten Path*. The broad motif of "summer camp at the library" can encompass a world of different summer experiences, from outdoor activities such as hiking, campfires, stories, and s'mores to nature programs, arts and crafts, music, and so much more!

Read Beyond the Beaten Path combines camp, adventure, and skill development. STEM programs are very easy to incorporate into this theme because of its nature and outdoor aspects, but you can also have space camp and math camp and science camp. These are all wonderful activities for participants to earn badges.

Read Beyond the Beaten Path

The iREAD 2022 Resource Guide and beautiful artwork on the accompanying flash drive (page 22) include all the programs, activities, and graphics to bring this summer fun theme to life in your library!

Read Beyond the Beaten Path artwork features the following artists: **Featured art by Dav Pilkey**
• **Children's art by Jessica Gibson** • **Teen art by Kayla Miller** • **All Ages art by Steenz**

The benefits of summer reading are clear. National research finds that students who participate in library summer reading programs score higher on reading achievement tests at the beginning of the next school year than those who do not participate. The iREAD mission is to provide libraries with the tools to bridge this summer gap, while inspiring literacy and lifelong learning.

As a coordinated, self-supporting effort developed by the Illinois Library Association and librarians, every purchase from iREAD helps to promote and assist the great work of libraries.

Thank you for supporting iREAD! Read a book and explore your world!

22-299 Challenge Coin

CHALLENGE COINS

Challenge coins are a highly respected military tradition for recognizing accomplishments and instilling a sense of belonging. The tradition of giving coins in the military goes back as far as the Roman Empire.

Traditionally a challenge coin bears an organization's insignia or emblem and is carried by the organization's members. They are given to prove membership when challenged, to enhance morale, and are also collected by service members. In practice, challenge coins are presented by unit commanders in recognition of special achievement by a member of the unit. They are also exchanged in recognition of visits to an organization.

Stories suggest that coins began to be used in a "challenge" after World War II, when U.S. military personnel adapted a German tavern tradition. If someone calls a "coin check," whoever does not have a coin buys drinks for everyone!

Every summer since 2013, iREAD has been producing a Summer Reading Challenge Coin for our partners in the Department of Defense—Morale, Welfare, and Recreation (DoD-MWR) military installation libraries. We are pleased to offer the 2022 version to the public in celebration of *Read Beyond the Beaten Path!*
