BY LIBRARIANS FOR LIBRARIANS

Summer 2023: FIND YOUR VOICE! / ¡ENCUENTRA TU VOZ!

iREAD® Summer Reading programming is developed by librarians for librarians and features activities, graphics, crafts, reading lists, incentives, and much more for children, teens, and adults.

As always with iREAD Summer Reading, there is no membership fee required or time limit imposed. You can use the graphics and programming year-round to support your library!

SUMMER 2023: FIND YOUR VOICE! ¡ENCUENTRA TU VOZ!

Our voices have power. We use our voices to share stories, express ourselves, and spark change. Our

voices include not only the sounds we make, but the words we write, the art we create, the movements we perform, and the actions we take each day to impact our world.

iREAD® 2023: *Find Your Voice!* / *¡Encuentra tu voz!* provides a context for exploring books, history, social justice, and STEAM fields as well as develop library programs and services that empower patrons of all ages to make their voices heard.

The iREAD 2023 Resource Guide and beautiful artwork on the accompanying flash drive (page 24) include all the programs, activities, and graphics to bring this summer fun theme to life in your library!

- Children's art by Joshua Mangeshig Pawis-Steckley
- Teen art by Hannah Templer
- Adult/All Ages art by Michaela Goade
- Early Literacy art by Angela Dominguez

The benefits of summer reading are clear. National research finds that students who participate in library summer reading programs score higher on reading achievement tests at the beginning of the next school year than those who do not participate. The iREAD mission is to provide

libraries with the tools to bridge this summer gap, while inspiring literacy and lifelong learning.

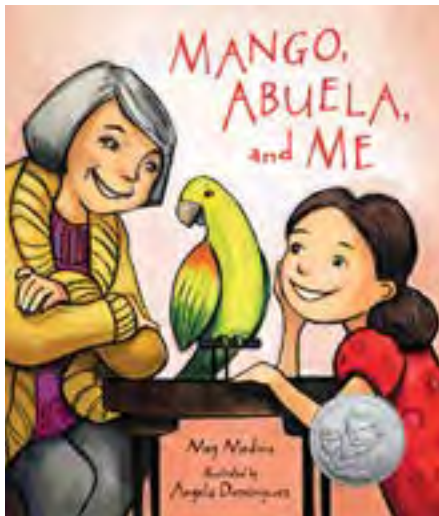

As a coordinated, self-supporting effort developed by the Illinois Library Association and librarians, every purchase from iREAD helps to promote and assist the great work of libraries.

Thank you for supporting iREAD! Read a book and explore your world!
