**Use the graphics and programming
year-round to support your library!**

The Resource Guide is the heart of the iREAD program, written by librarians for librarians, with submissions from all over the country!

Included are hundreds of pages of themed activities, games, art, reading lists, and much more. Program ideas are tailored to early literacy, children, teens, and adults.

Graphics from renowned illustrators: David Catrow, Anna Dewdney, Tad Hills, Don Tate, and many more!
